

5th Edition

# Michigan Nonprofit Management Manual

The 5th edition of the manual builds on the informative chapters found in previous editions, with many new updates, including:

- A new chapter on Risk Management
- Alignment with *MNA's Principles & Practices for Nonprofit Excellence in Michigan*
- Updates on laws, regulations and filing requirements
- Expanded chapters on the use of technology
- Connections to other resources and many Web site references
- A revised format to help locate information quickly
