FROM VISION TO INNOVATIVE IMPACT

The Charles Stewart Mott Foundation, Council of Michigan Foundations, Michigan Nonprofit Association and W.K. Kellogg Foundation invite you to a town hall meeting of the Michigan nonprofit sector.

At the encouragement of the U.S. Senate Finance Committee, INDEPENDENT SECTOR created the National Panel on the Nonprofit Sector. The purpose of the Panel is to make recommendations to Congress to improve the oversight and governance of nonprofit organizations.

It is critical that the Panel receives feedback from you - the nonprofit organizations that will be most impacted when legislation passes. The National Panel on the Nonprofit Sector recently presented its interim report to the Senate Finance Committee, and this Town Hall meeting and others around the country are important forums where nonprofit leaders can influence the final report.

#### Panel presenters:

William C. Richardson, President, W.K. Kellogg Foundation  
Dorothy Johnson, President Emeritus, Council of Michigan Foundations  
Sam Singh, President and CEO, Michigan Nonprofit Association

Please complete the attached registration form or register online at [www.mnaonline.org](http://www.mnaonline.org). Pre-registration is important to insure that you receive materials, including directions, prior to the meeting.

#### Make sure your voice is heard!

The recently released "Interim Report to the Senate Finance Committee" is available on the web at [www.nonprofitpanel.org](http://www.nonprofitpanel.org).
